PROFESSIONAL EXPERIENCE

- 1998-Present Florida State University, Tallahassee, Florida
Program Director, Athletic Training
Coordination of all aspects of developing a new athletic training baccalaureate program and earned national accreditation from the Commission on Accreditation of Athletic Training Education Programs (CAATE) in 2003 and ten year re-accreditation in 2009.
Assignment includes course instruction in athletic training and therapeutic modalities, undergraduate student advising, athletic training student in-service programming, and public relations regarding athletic training/sports medicine. Liaison for off-campus allied and affiliate health clinical education for student athletic trainers. As an Approved Clinical Instructor Educator (CIE), responsible for the development and implementation of all clinical instructor workshops. Through the American Red Cross, instructor trainer for Professional Rescuer, Automated External Defibrillation, and Standard First Aid certification.

- 2011-2014 Florida State University, Tallahassee, Florida
Associate Director, Institute of Sports Sciences and Medicine (ISSM)
Coordination of all aspects of the new ISSM which serves as a multidisciplinary, developmental center, providing research and educational programs in sports sciences, sports medicine, athletic/human performance, and injury prevention to the medical and scientific community and the general public.
- 2003-Present Florida State University, Tallahassee, Florida
Director, Pre-Health Professions Living Learning Community-Reynolds Hall
This program is specifically designed for 40 first-year students and is offered through the College of Human Sciences. The theme of this program is focused on pre-health occupation preparation. The focus of wellness is on student awareness in various clinical fields of practice including athletic training, medicine, nursing, physician's assistant, physical therapy and other allied health professions. Assignment includes developing, implementing and maintaining all aspect of the program including coordination with department chairpersons and faculty from Nutrition, Food and Exercise Sciences, Textiles and Consumer Sciences, and Family and Child Sciences. In addition to academic coordination, responsibilities include colloquium programming, chair of the Living Learning Community-Reynolds Hall committee, and member of the campus-wide Living Learning Communities.
- 2010-Present Florida State University, Tallahassee, Florida
Athletic Training Faculty Liaison for University Health Services
Assisted in the facility and equipment design for the inaugural opening of the Athletic Training Clinic located within the new University Health and Wellness Center. Coordinated with Campus Recreation to hire (3) graduate assistant, certified and licensed athletic trainers to care for intramural and recreational sports on campus.
- 2004-2007 Florida State University, Tallahassee, Florida State University
Committee Member
Appointed by The Florida State University Provost to the Council for Teacher Education. This Council coordinates the undergraduate teacher education programs throughout the University in accordance with policies established by the schools and colleges.
- 2004 – 2006 State of Florida Board of Athletic Training, Tallahassee, Florida
Board of Athletic Training Member
Appointed by Governor Jeb Bush to represent the athletic training profession in the state of Florida. The Board of Athletic Training regulates issues related to athletic training/sports medicine practices within the state of Florida.

- 2007-2013 State of Florida Board of Athletic Training, Tallahassee, Florida
Chair- Board of Athletic Training
Elected by the members of the Board of Athletic Training as President effective Fall 2007 to present.
- 2004 -2007 National Chapter of the American Red Cross, Washington, D.C.
Panel Member
Selected a member of the First Aid/CPR/AED Program Advisory Group to provide recommendations on certified layresponder programs, products and courses.
- 1991-2001 Florida State University, Tallahassee, Florida
Assistant Athletic Trainer
Responsibilities included the prevention, treatment, and rehabilitation of athletic injuries for all female athletes. This included working with team physicians as well as other medical specialists in the community. Specific clinical duties included the medical care of the women's soccer and basketball teams. Primary administrative duties included the development and implementation of the athletic insurance program, assistance with the drug testing program, and medical provider account development. As of 2001, the athletic insurance program saved the university approximately \$2,000,000 over eight years.
- May 1996 The Florida State University, Tallahassee, Florida
Staff Certified Athletic Trainer
1996 National Collegiate Athletic Association Women's Tennis Championships. Provided medical coverage for the nation's elite women's tennis players.
- 1991 to 2001 Tallahassee Orthopedic Clinic, Tallahassee, Florida
Certified Athletic Trainer
Provided medical coverage for local high school football players and served as a liaison between team physicians and head coaches.
- July 1991 National Junior Olympics, Tallahassee, Florida
Certified Athletic Trainer
Provided medical coverage for all athletes and assisted with medical coordination of staff and supplies.
- 1990-1991 Thomas Edison High School, Alexandria, Virginia
Physical Education Teacher, Head Athletic Trainer
Taught freshmen/sophomore physical education activity classes, and a basic athletic training course. Established an athletic training student program, while providing medical care for fourteen girl's and boy's sports.

- 1988 -1990 Florida State University, Tallahassee, Florida
Graduate Assistant Athletic Trainer
Responsibilities included the prevention, treatment, and rehabilitation of athletic injuries for all female athletes. This included working with team physicians as well as other medical specialists in the community. Specific clinical duties included the medical care of the women's volleyball and track teams.
