

**Ph.D. DEGREE
IN
HUMAN SCIENCES
EMPHASIS IN FOOD SCIENCE**

Students are required to earn six (6) CHS graduate credit hours that count toward the degree prior to graduation by attendance in one or more summer terms in the Department or the College of Human Sciences. The Ph.D. program in Human Sciences with areas of emphasis in Food Science is a competency-based research degree; satisfying the courses alone does not guarantee the degree will be awarded – the student must advance to mastery in the field of specialization.
