ADDITIONAL DETAILS ABOUT LIBERAL STUDIES REQUIREMENTS

General Education Electives

Students can take courses from any General Education category, including Math and English. If a student uses a Math or English course to fulfill any of these 6 hours of additional Gen Ed credit, they do not need to make a "C-" or better for the courses to satisfy the General Education Elective requirement.

State-Mandated Writing Requirement

Students must complete a total of twelve credit hours to meet Florida's State-Mandated Writing Requirement. At FSU, students will meet the requirement by completing four, three-credit-hour courses. In addition to the six credits required for English Composition (ENC1101 and ENC2135), students must complete two three-credit hour courses that meet state mandates for college-level writing. Typically, students complete this requirement by successfully completing one E- Series course plus a course on the list of approved "W" (State-Mandated Writing) courses. Courses must be completed with a grade of "C-" or higher to satisfy the State-Mandated Writing requirement.

Civic Literacy Requirement

All students who enter a Florida public college or university as a degree-seeking student in Summer C 2018 or later must meet the State of Florida Civic Literacy requirement. Students can satisfy the Civic Literacy requirement by:

- (1) completing either POS1041 American National Government, or AMH2020 A History of the United States Since 1877, with a grade of "C-" or higher;
- (2) receiving credit for either POS1041 or AMH2020 through completion of one or more of the following:
 - Advanced Placement Government and Politics: United States exam with a score of 3 or more;
 - Advanced Placement United States History exam with a score of 4 or more;
 - CLEP American Government exam with a score of 50 or more; or by
- (3) obtaining a score of 60 out of 100 on the U.S. Citizenship and Immigration Services Naturalization Test administered at the testing center at Florida State University.

This requirement must be fulfilled before completing the bachelor's degree. Visit <http://liberalstudies.fsu.edu/civic-literacy.html> for the most recent guidance on meeting Civic Literacy.

Scholarly and Formative Experience

Students must complete one Scholarship in Practice (SIP) course and one approved Formative Experience (FE) prior to graduation. Students may fulfill the FE requirement with a second SIP course.

Scholarship in Practice courses may be taken at any level (1000 to 4000). However, 4000-level Scholarship-in-Practice courses do not count toward the *General Education* elective requirement. Students must earn a grade of "C-" or higher (or an "S" for Formative Experience courses graded S/U) to earn credit toward the Scholarly and Formative Experience requirement.

Diversity

To develop broad cultural knowledge about the world around you, students must complete at least one Cross-Cultural Studies (X) course and one Diversity in Western Experience (Y) course. Both Diversity courses must be completed with a grade of "C-" or higher. These courses must be taken on a letter grade basis (not S/U).

Upper-Division Writing

In addition to the courses that meet State-Mandated Writing Requirement described above, students must complete at least one course designated as meeting the Upper-Division Writing Requirement with a grade of "C-" or higher. This coursework, focused on writing for professional purposes, may be completed within or outside a student's major course of study.
